SOCIAL SKILLS AND COMPETENCIES

Living and working with other people in multicultural environments, in positions positions where communication is important and activity the team work is essential. (eg culture, sports, etc.).

Rich professional experience gained over the 15 years in higher education, helped me organize my work better and highlight my professional activity and intellectual products.

Work experience gained during the nearly three years in the Department of Marketing and Psychology Advertise - IRSOP helped me form quantitative and qualitative research skills specific to market economy, and improve my relational skills acquired by the over the years of college.

Over 40 articles and studies published in books and magazines.

Author of six books: Psychological aspects of human aggression (2003) Gender and personality. Psychology feminine and masculine psychology (2005) Differential Psychology: personality types (2003, 2005 ed. Revised and enlarged) human behavior Psycho (2008) and emotional intelligence, academic intelligence - behavioral efficiency (2010).

Coauthor of personality and differential psychology - lecture notes (2001).

I attended 12 national scientific sessions, 8 scientific conference with international participation and three international conferences (Florida, July 2007, Sibiu, 2006,2007).

We conducted four research projects developed locally "interindividual differences on human aggression" - research aspect psychosociological (250 subjects), "Knowledge and psychological evaluation of students ANI", "heterostereotipul Autostereotipul and gender" (research based on questionnaire) "the personality of the employees of an import-export firm" (psychological research).

I participated in three research teams for Grant:

- *Develop a decision tool for optimizing capabilities for specific tactical actions in the field of national defense and security, CNMP grant, 2005-2007*;
- *Identification of level of knowledge of terrorism by young people from Romania. Development of a model of education and terrorism, grant CNCSIS, 2005-2007*;
- *Research on the response and resilience of the people of Romania against the risk associated with terrorism and crime CEEX Program, 2006-2009.*

I participated as an active member or coordinated team work and research made both within the National Intelligence Academy (Grant type consortium, 2005-2006) and in the IRSOP (interviewer, moderating focus groups, research assistant).

Coordinated research activities of undergraduate A.N.I. students.

Both as a psychologist and as a teacher I continually polished networking and communication skills. I am a loved and respected teacher, evidence being sought by my former students / learners even if they have left the banks of the faculty.

My relations with colleagues and superiors were always excellent.

ORGANIZATIONAL SKILLS AND COMPETENCIES

Coordination and driving of people, projects and budgets, at work, in voluntary work (for example, culture and sports) or from Home.

Coordinator volumes sections of psychology, sociology and pedagogy of annual Scientific Sessions organized by the National Academy of Intelligence, 2002, 2003, 2004 and 2005.

Coordinator of the Twelfth Scientific Session with International Participation organized by the National Academy of Intelligence, 16-18 March 2006.

Member of the Faculty Board and the Senate Intelligence National Intelligence Academy, since September 2001.

Head office and doctoral postgraduate education, psychological monitoring and evaluation of students, from January 2006 - January 2007.

In the professional activity and research programs and grants that I attended so far, I have developed the ability to rigorously manage time and set priorities, ability to plan efficient use of resources (human, financial, material) creativity and teamwork skills.
